HAS A GREAT REPUTATION.

The Clarkville coal we sell principally, like the Father of His Country, has a reputation second to none, and you know, if you've tried it, that it's the best ever burned. Its freedom from impurities, its free-burning qualities and our fairness as to weight and delivery, entitle us to your patronage. Remember we guarantee 2,000 pounds absolutely in every ton leaving our yard. We also handle all kinds of mill wood, mountain wood and kindling.
